

Class Field Trip Conduct Expectations Agreement

I am excited to be going to the Edmonds Center for the Arts to see a special production of "Romeo & Juliet" performed by the Seattle Shakespeare Company. This is a wonderful privilege and I deeply appreciate your mature attention to the requirements, expectations and agreements we have regarding this great opportunity. Please thoughtfully read this document, discuss it with your parents, sign it and return it before our trip.

~ Mr. DeMiero

1. This is a school sponsored trip, therefore school rules and policies apply to all situations. Students who cause problems will be removed from the Theater, and their parents and school administrators will be called and informed of the situation.
2. I am especially aware of the regulations banning tobacco, drugs and alcohol. Disobeying these rules will mean immediate dismissal from the trip and possible suspension or expulsion from school.
3. I understand that I am representing myself, my family, my class, my instructor and my school on this field trip and will conduct myself in a manner that is respectful of myself and all of those I represent.
4. I understand that this field trip is a privilege and a wonderful opportunity to extend my educational experiences.
5. I understand that my conduct on this field trip may determine whether students in the future will be able to enjoy these types of opportunities.
6. I will obey the field trip rules and follow all instructions from teachers and chaperones.
7. I will be aware of the time schedule and will be on time for all events.
8. I understand that the ECA does not allow any food, drinks, candy, gum or anything of a consumable nature in the Theater – *including water*.
9. I understand that the ECA does not allow any kind of electronics in the Theater and that all book bags, backpacks, cell phones and other similar items must be left at school, or on the bus. (Note: *For emergency purposes only, chaperones and teachers may keep their cell phones on them, but they must be silenced and no texting or other use is allowed during the performance.*)
10. Upon arrival at the ECA, I will remain in my assigned group and follow the instructions of the ECA staff who will direct me to my reserved seating.
11. As a member of the audience, I understand that I must remain quietly in my seat throughout the performance. I understand that it is *never* okay to step over the seats or to stand on the seats.
12. I realize that if I must use the restroom, that I must do so in the theater lobby before or after the performance since there is no intermission. I further understand that the ECA requires that students be accompanied to the restroom by a chaperone or teacher.
