

"Writin' Like a Poet Remix"

By OMGTB aka **Big Daddy Cane** and **Heavy D** featuring **P4Peeps**

Based on "Sexy and I Know It" by LMFAO

I'm writin' like a poet

Yeah
Yeah

When I walk on by, students be talkin' like "Who dat guy?"

I rhyme to the beat, walking down the hall with a pen and sheet, yeah

This is how I roll, thinking of words that expose my soul

Big Daddy Cane has some thoughts for y'all
And like my white Hyundai I never stall

(Ahhh) Hey look at my notebook [x3]

I-I-I write it down

(Ahhh) Hey look at my notebook [x3]

I-I-I write it down

When I walk in the café, this is what I see

Everybody sits and listens to me

I put passion in my poems and I'm not afraid to show it, show it, show it, show it

I'm writin' like a poet [x2]

Yo, when I share my words I feel so free I'm like a bird

When I finish up, students snap fingers and raise a cup (What?)

This is how I roll, come on 110 it's time to flow

We sharing metaphors, students: don't be nervous

No stress, no shame, just words with purpose (Uh)

(Ahhh) Hey look at my notebook [x3]

I-I-I write it down
