Identifying Rhetorical Techniques Assignment

Overview: *In order to practice identifying fundamental rhetorical techniques, you will be asked to read several texts (see the handouts, DeMiero's website, etc). Be sure that when you identify examples of rhetorical techniques that you also cite evidence from the text to support your selection. Please write the title of the piece and the author's name in the spaces provided, then after reading the text indicate what a general topic of the text is and, in general, what stance the author is taking.*
